GALAXY

TIANJIN GALAXY VALVE CO.,LTD

WHO WE ARE

TIANJIN GALAXY VALVE CO.,LTD established in 2003 in TIANJIN, CHINA, has now become an outstanding manufacturer devoted to providing innovative and reliable system solutions in diversified markets, like Water Utilities, Building Services, Firefighting, Marine, etc. With our customized design, larger than 25-acre production facility, more than 600 employees, we are ready to take part in global cooperation and competition in a larger scale and deeper extent.

OUR VISION

“Quality first, Brand Goes to Glory", with our dedicated job and constantly improvement, we hope to become your first and most reliable choice. At the meantime, it would be more than glory if we can make your job more energy-saving and make the world a bit better.

Lloyd's Register

Certificate of Approval

This is to certify that the Management System of

Tianjin Galaxy Valve Co., Ltd.

ISO 9001:2015
GB/T 19001-2016

Lloyd's Register

EU CERTIFICATE OF QUALITY SYSTEM APPROVAL

In accordance with the requirements of the Pressure Equipment Directive 2014/68/EU

This is to certify that the Quality Management System of:

Tianjin Galaxy Valve Co., Ltd.
No.48, Guanghui Road, Baodaokou Town,
Jinnan District, Tianjin City 300380,
People's Republic of China

has been reviewed against the requirements of Annex I, Paragraph 4.2 of the Pressure Equipment Directive 2014/68/EU and EN 764-5: 2014, Article 4.2, and conforms to the requirements for the products shown below:

Manufacture of Valves Castings for maintenance and of pressure equipment in accordance with Annex I, paragraph 4.2 of the Pressure Equipment Directive (see attached schedule)

Approval is subject to the continued maintenance of the quality system in accordance with the requirements of the above Directive and EN 764-5: 2014, Article 4.2, and the on-going surveillance. Products are as detailed on the attached schedule.

Certificate No: 10443/NDA/0020/0111/AA
Original Approval: 3 September 2019
Current Certificate: 31 December 2020
Certificate Expiry: 30 December 2023
UK EU Notified Body Number 0043

R&D

Our engineering team is highly active in valve design and production. We've also set a learning center specialized in offering comprehensive and continuous classes led by experienced constructors. With these endeavor, we are able to deliver the most forward-thinking and customer-oriented solutions to the markets.

GALAXY

CERTIFICATION

We've obtained ISO, CE, LR, VDA certificates for our factory including foundry, WRAS, NSF, Kitemark certificates for potable water products, FM, UL, CCC certificates for firefighting products, BV, ABS, TUV, DNV, GL, TS certificates for marine products.

QUALITY CONTROL

We obtained the ISO9001, ISO14001, ISO45001 and other system certifications, and finished the VDA6.3 system process review in 2019. We set a complete and efficient organization to handle whole supply chain quality control, to ensure every process has been well-tested. We have the most advanced and sufficient testing machines for comprehensive, environmental, mechanics, chemical researches and hundreds of regular testing machines for quality ensurance and product development.
